ACKNOWLEDGEMENTS

CAMS would like to thank the leadership at Weill Cornell Medicine & NewYork-Presbyterian Lower Manhattan Hospital for hosting and sponsoring the 2018 CAMS Medical Student Career Day program. Thank you to Coalition of Asian-American IPA, Inc. (CAIPA), Maimonides Medical Center, Mount Sinai Beth Israel, New York-Presbyterian Brooklyn Methodist Hospital, and NewYork-Presbyterian Queens for your continued support of CAMS Medical Students Career Day. CAMS would also like to thank all of the Medical Students that represent their school on the CAMS Board of Directors as well as those that have volunteered their time to serve on this year's planning committee. A special thank you to this year's panelists, moderators, and volunteers- this program would not be possible without you!

NOTES

The mission of CAMS is to improve the health status of Chinese Americans and to promote the mobilization of health care professionals. The purpose & objectives of CAMS are:

1. To eliminate health disparities of Chinese Americans & other underserved populations.
2. To advance medical knowledge through education, scientific research, scholarship, and philanthropy with emphasis on aspects unique to Chinese Americans.
3. To promote the association of and to advocate for medical professionals of Chinese descent and others devotes to like purposes.
